

**MassCEC Clean Peak Standard (CPS) Data Acquisition System  
Service Provider Application**

Thank you for your interest in becoming a MassCEC recognized CPS Data Acquisition System (DAS) Provider. Please complete the following application and submit to [PTS@masscec.com](mailto:PTS@masscec.com) for consideration.

- 1) Please provide an administrative point of contact, company address, e mail, and phone number.

Company Name					
First Name		Last Name			
Street Address					
City		State		Zip Code	
Email			Phone Number		

- 2) Confirmation that your company’s equipment will meet the [Meter Requirements per the Clean Peak Tracking System](#).

- a. Provide a list of meters (make and model) to be used at each nameplate capacity tier. Include data sheets and/or Nationally Recognized Testing Laboratory (NRTL) certification.

Manufacturer	Model	Accuracy Class (ANSI C-12)

\*If more than three meters are used, submit additional meters on a new sheet.

- Datasheets and/or certifications are attached
- Meters have already been approved by MassCEC

- 3) I certify that this meter(s) meets the [Meter Requirements per the Clean Peak Tracking System](#).

If applicable, provide a list of current transformers (CTs) (make and model) to be used at each applicable nameplate capacity tier. Include data sheets and/or Nationally Recognized Testing Laboratory (NRTL) certification.

Manufacturer	Model

\*If more than three CTs are used, submit additional CTs on a new sheet.

- Datasheets and/or certifications are attached
- Not applicable

NOTE: The DAS Provider must inform MassCEC of changes to the equipment list.

4) Provide a brief response for items a through d.

a. Your company's anticipated number of Clean Peak Standard systems for auto-reporting.

b. The industry [Aggregator\(s\)](#) your company intends to engage.

c. Your company's understanding of the CPS process, as related to DAS reporting obligations. Please note the reporter requirements in the [CPTS Reporting Requirement document](#).

d. Confirmation that the [Clean Peak Energy Certificate \(CPEC\) materials](#) have been reviewed.

I certify that I have reviewed the CPEC materials.

5) Select how you would like your company to appear on the [List of Approved DAS Service Providers](#) on the MassCEC website.

a. Provide your company's official contact information for customers:

Company Name	
Web Address	
Phone Number	
Email Address	

b. Is your company a General or Select DAS Provider? Select providers only offer their services to specific sites or clients.

General

Select

If Select, please explain.

---

Auto-Reporting CPS Testing

The final step in becoming a MassCEC approved CPS DAS provider is completing an auto upload to the API platform [here](#).

- If you need assistance with the auto-reporting process, please contact [JNicholson@VHB.com](mailto:JNicholson@VHB.com) and copy us at [PTS@masscec.com](mailto:PTS@masscec.com).

---

Disclaimer

Note that completing this application and/or becoming a MassCEC recognized CPS DAS Provider does not create the relationship of partners or joint venturers between you and MassCEC, does not make you an agent of MassCEC, and does not constitute an endorsement of your services by MassCEC. In the event that you become a recognized CPS DAS Provider, you acknowledge that MassCEC is in no way responsible for the services your company provides and that you shall indemnify and hold MassCEC harmless from and against any and all liability, loss, claims, damages, fines, penalties, costs and expenses (including reasonable attorney's fees), judgments and awards sustained, incurred, or suffered by or imposed upon any third party arising out of or in connection with your company's services provided while a recognized CPS DAS Provider.

Further, completing this form or becoming a MassCEC Approved CPS DAS Provider does not give you permission to use or display the MassCEC logo.
